GENERAL DESCRIPTION:

Government Furnished Property Specialist (GFP) Support. The GFP Specialist is responsible for processing, costing, budgeting, and resolving GFP documentation/issues to ensure adequate asset availability. He/she must be familiar with FAR Part 45 and AFMC instructions pertaining to Government Furnished Property/Government Furnished Equipment (GFP/GFE). The GFP Specialist must possess good communication skills, verbal and written, to interface with technical and non-technical personnel in the performance of this position.

GENERAL DESCRIPTION/EXPERIENCE/EDUCATION: SENIOR LEVEL

GFP Specialist Senior Level: Typical areas of experience and related experience include GFP Manager, Item Manager, Inventory/Material Management Specialist, Equipment Specialist, GFP Financial Manager/Analyst, GFP Acquisition Management System Manager, Support Equipment Manager, Acquisition/Logistics Specialist and Supply Analyst/Technician. Person at this level must have complete mastery of these areas and be able to work independently.

Minimum Experience Requirements: Person must have 12 or more years experience in or related to the Government Furnished Property/Government Furnished Equipment (GFP/GFE) discipline. Three years of the 12 years experience must be in a System Program Office.

GENERAL DESCRIPTION/EXPERIENCE/EDUCATION: JOURNEYMAN LEVEL

GFP Specialist Journeyman Level: Typical areas of experience and related experience include GFP Manager, Item Manager, Inventory/Material Management Specialist, Equipment Specialist, GFP Financial Manager/Analyst, GFP Acquisition Management System Manager, Support Equipment Manager, Acquisition/Logistics Specialist and Supply Analyst/Technician. Person at this level must be competent in all of these areas and be able to work with a minimum of guidance and direction.

Minimum Experience Requirements: Person must have 8 or more years experience in or related to the Government Furnished Property/Government Furnished Equipment (GFP/GFE) discipline.

GENERAL DESCRIPTION/EXPERIENCE/EDUCATION: JUNIOR LEVEL

GFP Specialist Junior Level: Typical areas of experience and related experience include Inventory/Material Management Specialist, Equipment Specialist, GFP Financial Manager/Analyst, GFP Acquisition Management System Manager, Support Equipment Manager, Acquisition/Logistics Specialist and Supply Analyst/Technician. Person at this level must have a working knowledge of all these areas and be able to work with specific guidance and direction and will have access to supervisory direction if required.

Minimum Experience Requirements: Person must have 2 or more years experience in or related to the Government Furnished Property/Government Furnished Equipment (GFP/GFE) discipline.
